Subject: Zahra Taghitabar | Recommendation for Volunteering with Art Jameel

Description: Down To Earth, November 22 - 23, 2025.

We are delighted to recommend Zahra Taghitabar to participate in your programme, as we've had the pleasure of collaborating with them during the Down To Earth 2025 festival. Zahra's involvement in the Jameel Arts Centre during Down To Earth 2025 left an indelible mark on our team and community.

The Down To Earth 2025 festival is dedicated to promoting climate action, sustainability, and environmental consciousness, engaging the local community in a day-long programme centred around eco-conscious living. The event featured informative talks, engaging workshops, enlightening tours, hands-on demonstrations, interactive art installations, and a Green Bazaar — a marketplace showcasing environmentally-friendly products and initiatives.

During Down To Earth 2025, Zahra successfully carried out the following duties:

- Providing essential support to Art Jameel staff, booth participants, and workshop facilitators.
- Ensuring a seamless visitor experience through effective communication with Art Jameel staff, fellow volunteers, and the general public.
- Exemplifying the values of Art Jameel as a responsible ambassador, consistently presenting a positive, polite, and friendly demeanour.

At Art Jameel, we deeply appreciate the contributions of volunteers like Zahra. Their dedication to supporting the arts and cultural scene in the UAE is invaluable. We extend our heartfelt gratitude for their exceptional service.

We are confident that Zahra's involvement in your programme will bring the same dedication and passion they demonstrated during their time with us at Jameel Arts Centre.

Sincerely,
Visitor Experience Team
Art Jameel
